Dear Mr Brygel

Continuing Professional Development Program

I write to confirm that you are currently participating in the College's Continuing Professional Development (CPD) Program.

I wish to confirm that you have met the requirements of the 2004 – 2006 CPD Program. Fellows who meet the requirements of the program receive the Certificate of Continuing Professional Development at the conclusion of the triennium. The 2004 - 2006 Certificate of Continuing Professional Development is current until the end of 2009 and is evidence of recertification of Fellowship.

I also wish to confirm that you have met the requirements of the 2007 CPD Program. Fellows who meet the annual requirements of the CPD Program are eligible to receive a Statement of Participation. The statement may be supplied to medical registration boards, hospitals or other organisations as evidence of participation in a professional development program.

The current three-year cycle commenced in January 2007 and concludes in December 2009. Fellows must submit a return annually for the recording of their CPD totals. The 2007 - 2009 Certificate of Continuing Professional Development will be issued to Fellows who have met the requirements of the 2007 - 2009 CPD Program in early 2010.

If you have any questions, please do not hesitate to contact me on +61 3 9249 1282 or maria.lynch@surgeons.org.

Yours sincerely
